

Business Partner Agreement

School Year: 2015-2016

School: Northview High School

Partner: _____

Together, we commit to this collaborative relationship designed to impact student achievement. This agreement represents a one year commitment that can be renewed annually. We agree to develop a structured plan aligned with our school and business goals. We pledge to support one another and do our best to meet expectations.

Partnership Goals:

1. To expand and enrich learning opportunities, and expand the resources available to students to maximize their achievement and success
2. To foster a climate of involvement, interaction, and respect between schools and the community
3. To create opportunities for each business to enhance and develop its community engagement

Resources Provided By the Business:

- Generously donate financial resources, equipment, supplies, facilities, technical assistance, scholarships or other support to strengthen the educational program and student achievement

Resources Provided By the School:

Partnerships between Northview, businesses, and the community are designed to be mutually beneficial, customized to meet partner, school, and student needs.

1. Local school advertising efforts (coupon distribution, school website, and other advertising efforts)
2. Approved local school visits, face-to-face advertising, meetings, and collaboration to enhance and develop community engagement
