Class Room Rules:

- Be in class...and ready to learn. I consider laying your head down, sleeping in class and working on other subjects while in my class to be offensive and I will do the logical thing.... issue detentions.
- Be on time...per school policy, the tardy rule will be enforced.
- Be respectful to the teacher, the other students, and any class visitors. Foul language is an indicator of poor vocabulary and is not acceptable in my classroom.
- Be prepared. Bring pen, pencil and assignments.
- You are responsible for work, directions etc, that you miss while absent or out of class for appointments or to use the bathroom. I WILL NOT remind you of make up work and those zeros in parent connect can be costly to you!
- The 10-minute rule of leaving class to use the bathroom will be enforced.
- FOOD, TOYS, HATS, DO NOT BELONG IN CLASS. Water is allowed in class but not in the computer lab/media center. Cell phones must remain off and put away, if seen, they will be taken up and your parents may retrieve them from the office per the student handbook.

Extra Credit Opportunities: TBA

Make-up work:

Late work will be accepted grade penalty if any TBD on an as needed basis. It is very important that you remain on task by doing ALL assignments as each is assigned. If you are absent, it is your responsibility to be prepared, obtain the work you missed and get notes from a fellow classmate.

Honor Code Violation: Per the Student Handbook.
