COURSE OBJECTIVES

Felicitations! You will be speaking French and improving what you already know! How much you improve will depend on your commitment *to try to communicate as much as possible either in writing or orally! Do not be afraid to make a mistake! The more mistakes you make in class, the more impressed I will be because I know that you are trying to really express yourself.* However, there is a correlation in successfully expressing yourself with that of always staying on task (i.e. You are always in the "know" on the topic we are addressing in class or prior topics covered).

Communication – students will engage in conversations, understand and interpret spoken and written language, and present information on a variety of topics.

Culture – students will learn about target culture products, practices and perspectives.

Connections – students will connect aspects of their target language learning with information acquired in other subject areas such as math, science, social studies, English and the arts.

Comparisons – students will demonstrate an understanding of the nature of language and culture, making comparisons between those of the target language and their own.

Communities – students will find and engage in the target language outside of the school environment and show evidence of building a life-long skill for their own personal enjoyment and enrichment.

EVALUATION

Your grade in this class will be determined by the following criteria:

Performance Based Assessments (Speaking, Writing)	30%
Major Assessments (Tests, longer projects)	25%
Minor Assessments (Quizzes, small projects etc)	20%
Classwork/Homework	10%
Final Exam (Speaking, Writing and Objective Final)	15%

You will have regular quizzes on vocabulary, new structures, etc. These may be announced or not. Tests given on each major unit will always be announced. Everything you do in French class counts! The more you participate, the better you will become and the more fun you will have.

GRADING SCALE

Fulton County Grading Scale is as follows:

100-90	A
89-80	B
79-70	C
69 and below	F

N.B. All Fulton county policies apply in this class. Please refer to the student handbook for any questions.

Make up Policy

- **Students may make-up any assignment (other than daily homework or classwork) until December 1 Fall Semester and May 4 Spring Semester. We will**

deduct 10% for each day late, up to 50%. This also applies to all assessments (including tests and PBAs) that are not made up during the scheduled make-up time.

Example: If a student's project should receive a score of 88 but it is turned in 5 weeks late, then their score on the assignment is 38.

Recovery Policy

School Policy:

Recovery is for students who, despite a conscientious effort and communication with their teachers, have failed to demonstrate satisfactory understanding of course standards. It is not for the student who has been failing for many weeks and then wishes to recover during the final days of the course. Opportunities for students to recover from a 74 or below cumulative average will be provided when all work required to date has been completed and the student has demonstrated a legitimate effort to meet all course requirements. Students who have not attempted to complete all course requirements are not eligible for recovery.

Students may initiate recovery on major assessments starting with the second major assessment of the semester (or after the first 6-weeks grading period) as long as they have made a legitimate effort to meet all course requirements including attendance. Unexcused absences may prevent this opportunity.

So that students stay focused on the content at hand and don't become overwhelmed and fall too far behind, they must initiate recovery on a major assessment within five school days of being informed of the grade on that assessment. Recovery work must be completed within ten school days prior to the end of the semester. The nature and type of recovery assignment is given at the discretion of the teacher.

Grading guidelines for recovery assignments will vary by department. It is the responsibility of the student to fully understand the grading guidelines/highest possible score for completed recovery work.

World Language Policy:

Students may recover major assessments which include Tests, PBAs, and Projects.

Procedure-

- **Students must initiate recovery process within five days of receiving their grade on the assessment.**
- **Students complete a WL Recovery Application to request consideration.**
- **Students must turn in all missing assignments related to the recovery topic(s).**
- **Students must complete enrichment work (provided by the teacher) to prepare for recovery assessment.**

- **Student completes recovery assessment which is a different version from the original assessment.**

Grading-

- **If a student scores at least a 70 on the recovery assessment then the original score will be averaged with the new score with the minimum grade being 70.**
- **If a student scores less than a 70 on the recovery assessment then the original score will be averaged with the new score.**

Examples:

Original Grade	New Grade	Average	In Gradebook
60	100 <i>(over a 70)</i>	80	80 <i>(improves score but takes into account their first attempt)</i>
20	100 <i>(over a 70)</i>	60 <i>(below a 70)</i>	70 <i>(minimum grade when student shows mastery)</i>
20	60 <i>(below a 70)</i>	40	40 <i>(improves score but takes into account their first attempt)</i>

HONOR CODE

Any work you submit for grading must be your own work. As explained in the student handbook, cheating is defined as “the giving or receiving, in any form, information relating to a gradable experience.” This would also include unauthorized use of translation programs. Violations of the honor code will result in a zero for the assignment, plus an honor code violation form placed in the student’s disciplinary file. Read the handbook carefully to fully understand what constitutes a violation

CELL PHONE POLICY

Cell phones are not to be visible at any time during class unless the teacher has given students permission to use them for academic purposes. Violation of this rule will result in confiscation of the cell phone.

PARENT CONNECT

Parents may register for the **Home Access Center** which allows you to view your child’s grade on line. See the school website www.northviewhigh.com for details.

ACADEMIC ASSISTANCE

Extra help is available before or after school. Please check on times with me.

I hope you will really enjoy French class and learn to communicate in French.
