SURVIVAL GUIDE

2007 – 2008

Our mission is to instill excellence
in academics, arts, and athletics.

Northview High School Code of Responsibility

We believe that:

- every student has the right to learn
- every teacher has the right to teach
- every parent has the right to be involved

All students are expected to:

- show courtesy and respect for others
- participate in the learning process
- be prepared, ready to work, and on task until finished
- demonstrate safe and responsible conduct at all times

All staff members are expected to:

- show courtesy and respect for others
- provide a safe and productive learning environment
- support the mission and policies of Northview High School
- exhibit open and timely communication with students and parents

All parents are expected to:

- show courtesy and respect for others
- insist that their child accepts responsibility for his/her decisions
- support the mission and policies of Northview High School
- be an active participant in the total school program

Home of the Titans

Peter F. Zervakos, Principal

Welcome to Northview!

Our journey began five years ago with the opening of Northview. During this time, many traditions were formed that will last a lifetime. Our students brought home numerous honors and awards, and this year reveals even greater promise for success.

My challenge to all students, both new and returning, is *Get Involved!* With over 80 academic clubs, performing arts activities, social organizations, and service clubs coupled with twenty-five GHSA sanctioned and club sports, there is something for everyone to do at Northview. More importantly, I have found that students who get involved in school activities realize greater academic success than those who are not involved.

Academic excellence is our primary goal and must be your goal as well. Northview offers many choices in all academic areas. An extensive visual and performing arts program, a full complement of advanced placement subjects, five foreign languages, cutting-edge Career-Technology offerings, Army JROTC, Talented and Gifted options, Special Education, internships, and a smorgasbord of electives join together to give every student an opportunity for success.

On behalf of the entire administration, I wish you the best for a successful school year. If I can ever be of assistance, please do not hesitate to ask.

Sincerely,

Peter F. Zervakos
Principal

FRESHMEN TIPS

- ◇ Don't worry about the Seniors. They are too involved with being Seniors to worry about the Freshmen.
- ◇ High school is much harder than middle school, but still make time to enjoy your Freshmen year.
- ◇ Keep your school spirit!
- ◇ Follow the dress code or you may end up sporting something from lost and found.
- ◇ Pass all your classes or you'll end up in summer school. You can't afford it!
- ◇ Keep your eye on your backpack . . . don't let it walk away.
- ◇ Don't rely on the honors points to save your grade.
- ◇ Don't cry over spilt milk, i.e. get over it!
- ◇ Buy a yearbook and newspaper, you'll enjoy the memories.
- ◇ All four years of high school are important, not just the last one.
- ◇ Keep your cell phone turned off and out of sight if you don't want to donate it to your teacher.
- ◇ If you have a conflict with a teacher, work it out privately after class. You're more likely to get your way if you are respectful and calm.
- ◇ You're in high school now. Use your parents as a last resort.
- ◇ If you get an office slip, don't panic . . . it doesn't always mean you're in trouble.

4B: Halls 400, 500, 600, 700, 830, 900

A warning bell will ring one minute prior to the tardy bell.

Students are to be seated and ready to begin when the tardy bell rings.

Homeroom meets on Thursdays.

Eleven things you need to know, but may not have known to ask:

1. *What are AP courses?*

Advanced Placement Courses are mainly for juniors and seniors. These classes are among the most rigorous in the school. Students take the College Board AP Exams in the spring and can earn college credit if they score extremely well.

2. *What is open gym?*

Each morning before school, the gym is open to students for pick-up basketball. Lots of students participate so do not be shy! Two ground rules: no food in the gym and use only school basketballs (do not bring your own basketball to school).

3. *Why should I visit the College & Career Center?*

The College & Career Center is located in the Counseling Office and is a great place to get information about colleges, careers, scholarships, and summer programs. Students can also receive assistance with making college applications on-line. Students may use the center during their lunch periods or before school. It is definitely worth exploring if you plan to have a life after high school.

4. *Why do we call our cafeteria the "food court?"*

Because that is just what it is. There are five lines serving regular lunches, pizza, and all kinds of sandwiches and a la carte items.

5. *When are the concession stands open?*

The gym concession stand is open only during indoor sporting events; the auditorium concession is open every day right after school. The food court vending machines are always available; vending machines in other areas are only on after school.

6. *Who gets to use the courtyard?*

The courtyard is the center of our school and is always open to all students. If you eat in the courtyard, pick up your trash or Mr. Z. will get very upset! The courtyard and food court make our building unique, so please treat them with respect.

7. *What is a Titan?*

The Titans were the greatest warriors of Greek mythology who ruled over all. They were so brave that they even challenged the gods of Mt. Olympus. Today's NHS Titans are students who are involved in school, show common respect, and stand out among all others!

8. *When do we have homeroom?*

Generally, every Thursday between first and second periods. Extra sessions are called as needed.

9. *What is the Principal's List?*

This is Mr. Z's favorite award program because it gives him a chance to thank the students who "do the right thing" every day. Students who qualify are invited to a special assembly and receive a *Titan Card* that is good for special discounts.

10. *What if I am having a problem with a teacher?*

See your assistant principal, counselor, Dr. Macris, or Mr. Zervakos! Teachers are human and will sometimes push your buttons, but you are still expected to be respectful. Let "the experts" advise you as how to best handle the situation.

11. *What if I am having a conflict with a student?*

Above all, do not allow yourself to get into a verbal or physical altercation or you will be going home for a long while! See Officers Johnson or Robinson, your assistant principal, or Mr. Zervakos; they will not get involved unless you want them to, and they can help you resolve the situation before anyone gets into trouble.

THINGS EVERYONE MUST KNOW:

Lunch:

- There are two lunch periods.
- If you need to go see a teacher or go to a room on an academic hall during your lunch period, you must have a written pass.
- Students must stay in the Food Court, Commons, or Courtyard areas—be sure to keep these areas clean.
- You can also go to the Media Center, Counseling Office, Clinic, Main Office, or Attendance Office.
- Wait until the bell rings to go to your locker or head to class—this is an important rule! You may not go to your locker between 1st and 2nd lunch.

Getting Called to the Office:

- If you get a slip in class to come to the office, go straight there; do not detour or forget to go.
- If you did it, confess (people talk); if you didn't, stay cool—mistakes happen.
- Do not panic—getting an office slip does not always mean you are in trouble.

Dress Code:

- NHS has a simple dress code; the faculty wants you to be yourself but remember: absolutely no hats, bandanas, shirts with alcohol, drug, or tobacco references, bad words, or sexual innuendo on them, or body parts showing that shouldn't be showing!
- If a teacher or administrator asks you to change—DO IT! It's not worth getting in trouble over!!

Leaving Campus:

- Do not leave the building/campus without permission from the office—this is a big deal.

Cell Phones and Electronic Devices:

- If you have a cell phone, keep it out of sight and turned off until after school! Nothing is worse than having a phone go off during class, then having it taken away by the teacher.
- No electronic devices are allowed during the school day (8:30 – 3:40). This includes but is not limited to MP3 players, radios, hand-held games, CD and DVD players, and PDAs. Calculators are allowed for specific classroom and academic uses. If they see them, staff members **HAVE** to take them!
- If a teacher asks for your phone, iPod, or CD player, don't argue. You will get it back much faster and catch a lot less grief if you cooperate.
- If you have a cell phone taken up, a parent can pick it up any time after the next school day.

Morning Announcements:

- Listen carefully so you don't miss important information about deadlines, special meetings, etc.
- If you do something unusually good, you might even hear Mr. Z bragging about you or your team over the intercom.
- Also, check the *Titan Notes* for information—they are posted in most classrooms, on the website, and by the Media Center.

Website:

- www.northview.com is the official website of our school
- You can use this to check dates and announcements or to contact teachers through email.
- There are many research links.
- The site is a great way to learn about what sports and activities are available and to contact the coaches or sponsors.
- The Student-Parent Handbook and Academic Catalogue can be found on the website.

Smoking:

- No smoking is allowed anywhere on, or within 1,000 feet of campus by anybody.
- This includes being in your car.

Titan activities and special events:

Blood Drive: held each spring to support the Red Cross; donors must be at least seventeen years old

Spirit Week: the exciting week of Homecoming; each day is a dress-up day and features different spirit activities

Homecoming: also known as the Titan Glendi, is a special event that includes a parade, the Homecoming game when the court is announced, and the dance

Homecoming Dance: a “dress up” dance for the entire student body; just about everyone attends so do not worry about having a date—just come with your friends

Principal's List Assembly: featuring performances by student organizations for students who make the list

Honors Night: the night when students receive individual awards; this is a big event so if you receive an invitation (which means you are getting an award) be sure to attend!

VIP Night: like Honors Night but for citizenship awards; a nice reception is held after the ceremony

Black History Month Assembly: held each year at the end of February; features student and faculty performances

International Night: held at the end of November to kick-off International Week; you will enjoy lots of free food and performances from around the world

Hands on Northview: held fall and spring on a Saturday morning; a time for students and parents to improve our school grounds and perform community service

Job/Career Fair: held in the spring; potential employers set up booths where students can learn of summer jobs and internships as well as apply for summer employment. Guest speakers are available to help you learn about different career possibilities.

AP/Post Secondary Options Night: if you are interested in AP courses or joint enrollment, then you should attend to find out what you need to know about these programs.

College Night: a night of information about college admissions, financial aide, etc. Colleges from all over the nation send reps to Northview so this is a big event!

Prom: the spring formal dance hosted by the Junior class for Juniors and Seniors; held off-campus at a hotel or banquet facility.

Project Graduation: an all-night party held for the Seniors following graduation.

Musical: a major musical theater production that is open by audition to all students.

Senior Field Trips: during spring semester, Seniors who qualify enjoy special field trips on the last Wednesday of each month. Places visited include the King Center, The Georgia Aquarium, Stone Mountain, and the Atlanta Zoo.

New Student Breakfasts: held each month for the administrators and counselors to meet and welcome new students who entered during the previous month. If you are new, you really should attend—there is free food and door prizes!

Coffee House: sponsored several times each year by the Media Center. For a small admission fee, students can enjoy unlimited Starbucks Coffee and an evening of poetry reading and improv.

Senior Night: also held three times a year (last home football, basketball, and soccer games) to honor our Seniors.

Grad Night at Disneyworld: each spring, Seniors who qualify (must have good attendance and discipline) depart on a chartered bus visit with Mickey and Goofy during this special night at the Magic Kingdom that is for Seniors only.

PEOPLE TO KNOW

- ◇ **Mr. Zervakos** - Our principal, Mr. Z, has the final say on everything that goes on at Northview. Very friendly and easy to talk to, Mr. Z is definitely worth knowing and you can always stop by his office for a Jolly Rancher. When all else fails, see Mr. Z. Don't panic if he is out somewhere in the building—leave a note and he will send for you.
- ◇ **Dr. Macris** is the assistant principal who makes sure that everyone is in the right classes. If you have a scheduling question, he is the one to see. Dr. Macris always has snacks for students who can recite the school mission statement!
- ◇ **Ms. Spalla, Mr. Haines, and Mr. Williams** are assistant principals who really are there for the students. You will have to see them if you get into trouble, but they will also help you when you are in a bind. Also, if you are hungry, a quick visit to say hello is a great way to get some free candy.
- ◇ **Mr. Mangan and Ms. Lee** are our Graduation Coaches. If you are having difficulties with attendance or academics and appear to be off-track for graduation, they are the ones to see. Mr. Mangan can be found in the Attendance Office and Ms. Lee's office is in the Media Center.
- ◇ **Mr. Martin** is the Administrative Assistant. In addition to being one of the administrators for the 9th grade class, he heads up our School Support Team (SST) program. The SST works with students who are experiencing some academic difficulties, identifying different possible solutions.
- ◇ **Officer Johnson and Officer Robinson** serve as our school resource officers. They keep crime away from Northview. If you are having a problem with a student but don't want to tell an administrator about it, they are the best persons to see. If you have any legal questions, they are your best resource.
- ◇ **Ms. Holly Price** handles all club finances and anything else that has to do with money at Northview and knows everything there is to know about everything at Northview. If you need to see Mr. Z. but can't find him, see Ms. Price and she will track him down.

- ◇ **Ms. Comstock** is the Assistant Principals' secretary. She is also the person to see if you have any questions about parking and can be found in the attendance office.
- ◇ **Ms. Fleming** and **Ms. Blanchard** are the main office secretaries. If you think something of yours is in Lost & Found, they are the persons to see. Ms. Fleming will also help you if you have any problems with your locker.
- ◇ **Ms. Greenaway, Ms. Ferrerio, Mr. Hogan, Ms. Leja, Mr. Mercer, Mr. Creel, Ms. Garcia, Ms. Cole, and Mr. Brown** serve as Northview's outstanding counselors. These folks work hard and really do a great job but you need to make an effort to get to know them since they have a lot of students to watch over.
- ◇ **Ms. Akeson** and **Ms. Justice** are the nice ladies in the attendance office. They have "seen it all" so be sure to tell the truth, be polite, and follow procedures when dealing with the attendance office.
- ◇ **Ms. Donelson** and **Ms. Unger** wear many hats and can be found in the Counseling Office. They are always there if you need to see your counselor or you need help in general. It pays to know them!
- ◇ **Ms. Bradford** and **Ms. Click** are in charge of the clinic. They will bandage your bruises, give you ice for your pains, and peppermints to be nice but you must have a pass from your teacher before they can see you.
- ◇ **Coach Hunter** is the Athletic Director for Northview. He can answer any questions about sports or eligibility and, along with Mr. Martin, oversees the 9th grade class.
- ◇ **Ms. Elliott** is our data clerk. She is the person to notify if you have any changes of address, phone numbers, emergency contacts, etc.
- ◇ **Mr. Aristilde** is our school assistant. You will see him in the halls and cafeteria. If you are late or are somewhere you should not be, he will tell you to move on and you better listen or you will end up in BIG trouble.

- ◇ **Ms. Polizzi** runs the College and Career Center. She used to be a college admissions officer and can help you with getting all your college applications in order.
- ◇ **Ms. Sharp, Mr. Allen, Ms. Paynter** and **Ms. Fincher** can all be found in the Media Center. They love to help students with research for various school projects!
- ◇ **Ms. Keahey** is the Food Court manager. She can sell you a pre-paid lunch card for whatever amount you want, which really helps to speed up the lines and keeps you from running low on cash.
- ◇ **Mr. Harkey** has the phenomenal task of keeping all of our computers up and running. He also watches to make sure we are all using the computers for school work only! His office is outside of the 900 hall.
- ◇ **Mr. Ashby** is our head custodian. We all work to pick up our own garbage, but it is Mr. Ashby and his dedicated staff that keep this building looking so wonderful. His office is behind the cafeteria, at the end of the 700 hall.

STUDENT ACTIVITIES

Become a part of Northview history. By participating in a school activity, you will play an important role in establishing traditions and events that will benefit our community for many years. Northview's academic, social, service, and performing organizations coupled with a full sports program will offer something for everyone. More important, students who get involved in school activities realize greater academic success than those who are not involved.

- Students must demonstrate common sense and good judgment when selecting school clothing: apparel that is appropriate for social settings may not be appropriate for school.
- Clothing that reveals the navel is unacceptable. This includes tops that are short and pants/skirts that are cut low. Shirts should touch the top of the pants when standing still.
- Strapless shirts, backless tops, halters, tank tops, and low-cut shirts are not appropriate for school. All tops must have shoulders and/or sleeves.
- No underwear is to be visible. No jeans, pants, shorts, or tops are to be worn that reveal undergarments. This applies to boys and girls.
- Skirts, shorts, and dresses are to be in good taste. Students should be able to sit, stand, and walk without revealing underwear above or below the garment. Skirts and shorts should be **at least** finger length.
- T-shirts must be in good taste (no suggestive wording, pictures, graphics, or advertisements for alcoholic beverages, tobacco, or other controlled substances).
- Shoes or other appropriate footwear are to be worn at all times.
- Clothing that is intended for use in PE classes or for athletic practice are not to be worn as school attire. This includes tank tops for boys, and spandex items.
- Students are not allowed to wear or display bandanas on school property.
- Hats, headbands, grooming aides, etc., *are not* to be worn in the building from the time the building opens until dismissal. *These items are subject to confiscation.*

HONORS AND AWARDS

Honors Night: Honors Night is held each spring to recognize students for outstanding academic achievement. Following a formal ceremony in the gym, a reception is hosted by the PTSA for all those in attendance.

VIP Night: Each year, Northview hosts a convocation and reception honoring those students who have made positive contributions to the school and have demonstrated outstanding citizenship. Teachers, coaches, and club sponsors nominate students for the VIP award. Legion of Honor pins are also presented during VIP Night. A reception is held for the honorees and guests.

Academic Honors Banquet: During spring semester, a banquet is held to recognize members of the various academic teams as well as students who have represented Northview in regional, state, or national competitions.

Principal's List: At the conclusion of each semester, students who continuously demonstrate good citizenship will be named to the NHS Principal's List. Requirements for each semester are:

- no more than five full-day absences
- no final course grade below 74
- no administrative assignment of Detention, Saturday School, ISS, or OSS
- no Honor Code violations

Students named to the Principal's List will:

- have a personal congratulatory letter sent to parents from the Principal
- receive a Titan Card redeemable for special discounts and privileges

Legion of Honor: Each spring, students named to the Principal's List for three semesters will be named to the Legion of Honor. Students who qualify will:

- be honored at VIP Night
- receive a Legion of Honor pin
- have a personal congratulatory letter sent to parents from the Principal

Honor Roll/Super Honor Roll: Students earning a semester average of 85 or higher are named to the Honor Roll; those earning a semester average of 90 or higher are named to the Super Honor Roll. Congratulatory cards are mailed to parents. Students must earn credit in six classes to qualify. Recipients are invited to a PTSA-sponsored reception held during the school day.

Legion of Scholars: Each spring, students having earned Honor Roll status for three semesters will be named to the Legion of Scholars. Students who qualify will:

- be recognized at the annual reception
- receive a Legion of Scholars pin

Star Student: The senior having the highest SAT score of all graduates. Scores received for any one SAT taken prior to and including the November test date of the senior year will be considered.

SAT - Sigma Alpha Tau: Seniors earning a composite SAT score of 1,200 or higher will be inducted into Sigma Alpha Tau; inductees receive a pin at honors night and names are inscribed on a permanently displayed plaque.

AP Scholars: Seniors completing five or more Advanced Placement courses will be recognized as AP Scholars. Names are inscribed on a plaque for display and a pin is presented to each recipient at Honors Night.

Faculty Cup: The Faculty Cup recipient is selected by the entire Northview Faculty. The student chosen to receive the Faculty Cup has demonstrated social and academic growth while contributing positively to the school climate. This award is presented only to a graduating senior.

Journal Cup: A most coveted award, the Journal Cup is presented at graduation to the student selected by the entire faculty as the best all-around member of the senior class. Sponsored by the Atlanta Journal-Constitution, recipients are featured in this publication.

PTSA Cup: This special award, sponsored by the Northview PTSA, is awarded to the graduating senior who was named as the runner-up for the Journal Cup.

Promethean Award: This cup is presented to the student whose high school experience best exemplifies the mission of Northview High School.

Bob Peterson Award: presented to a Senior who has been active in all phases of student life and has contributed in a positive manner to the school.

Principal's Leadership Award: chosen by the entire faculty; is awarded to the Senior demonstrating consistent peer leadership contributing to a positive school atmosphere

Salutatorian: This title is bestowed upon the student who is academically ranked, at the start of the Spring Semester, as the number two student. In the event of a tie, more than one student will be named. Recipients must be four-year graduates and completed at least three years at Northview.

Valedictorian: This title is bestowed upon the student who is academically ranked, at the start of Spring Semester, as the number one student. In the event of a tie, more than one student will be named. Recipients must be four-year graduates who completed at least three years at Northview.

Honor Graduates: The designation of Honor Graduate is computed at the end the first semester of the senior year and is not rounded up:

Cum Laude: cumulative average of 88 or above.

Magna Cum Laude: cumulative average of 96 or higher.

Suma Cum Laude: cumulative average of 100+

Honorees will receive a Fulton County Academic Pin and honor cord during the Honors Night ceremony.

Distinguished Graduate: Seniors who have achieved Principal's List for a minimum of six semesters earn the designation of Distinguished Graduate. Recipients will:

- be honored at VIP Night
- receive a Distinguished Graduate pin
- have a personal congratulatory letter sent to parents from the Principal

Top 10% of the Senior Class: Each year at Honors Night, the top 10% of the Senior class is recognized for their academic ranking.

MAKE-UP WORK/LUNCH STUDY

Following an absence, it is the student's responsibility to contact his/her teachers to arrange for make-up work. The contact must be made within one school day of returning. If the teacher is absent, contact should be made upon the first day of the teacher's return.

Students are given the same number of days to complete make-up work as the absence, not including the day of return. For instance, a student is absent two days, he/she has two days (not including the day of return) to complete the assignments. The teacher will establish a reasonable schedule for completing tests, labs, etc. that cannot be done independently by the student.

Assignments made prior to the absence, including tests/quizzes scheduled for the day of return, are generally due upon the student's return. Students who are present for any portion of the school day are expected to turn in all assignments due on that day in order to receive full credit.

Failure to complete make-up work within the designated time frame may result in a grade reduction or loss of credit for the assignment.

Students are allowed to make up work due to an unexcused absence but the grade earned may be reduced by 10 points.

Assignments missed due to pre-arranged absences are due upon the student's return unless the teacher has approved other arrangements in advance.

Lunch Study meets during the first thirty-minutes of the lunch periods, two days per week. Freshmen and sophomores will be assigned to the Lunch Study Program if the cumulative average in math and/or language arts falls below 74. Peer tutors will be available to assist students with the completion of their assignments. Attendance at Lunch Study is mandatory; students who fail to participate will be assigned to Saturday School to make up any missed Lunch Study Sessions.

ALMA MATER

To Northview High
our school our Alma Mater.
Our voices ring
in praise of thee they swell!

Beyond our years
within these halls of learning,
thy memory dear
within our hearts shall dwell.

We raise the torch
of courage, truth, and honor.
To Northview High,
we pledge our loyalty.
