\_\_\_\_\_ **AMOUNT ENCLOSED** (Make checks payable to Northview High School)

Please note that personal items such as make-up, hair bands, tights, etc. are the responsibility of each individual member. These are required items, but must be purchased by the member after a decision has been made concerning colors and styles. We are under **VERY STRICT** ordering guidelines and have very little wiggle room with money this year. Nothing can be ordered until I have your fees in hand. That being stated, we would like all fees by July 1, 2005. **Please mail them to Bonnie Jackson at 1150 Dunedin Trail, Woodstock, GA 30188.** The uniforms and flags take up to 6

weeks to come in, so we need to place the order as close to July 1<sup>st</sup> as possible. If you have some financial concerns, I will do everything in my power to help you out with a payment plan. Please talk to me as soon as possible if this is you.

**A Note About Camp Lunches/Dinner for Football Games:** If you choose not to pre-pay for these meals, you will be responsible for your own meals. There WILL NOT be a “daily/weekly” choice. Which means...you get ALL the meals or NONE of the meals. You do not get to choose to participate in some meals and not others. This is an accounting issue and needs to be handled accordingly. Thanks!!
